

HARBRO™

CURVED DOUG

It's Doug, but curved.

With all the goodness of original Doug, this one gathers itself around your coffee table or fireplace ready to hear your latest story. His simple, solid design harks back to our vintage roots.

Doug is all about comfort, but that doesn't prevent him from looking a million bucks when guests arrive. Beneath the outer fabric, Doug has a feather topper that is rolled right over the seat, for a smooth and seamless finish. Consists of three separate modules easily configured to suit your space.

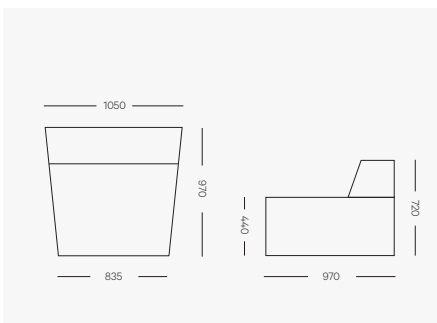

Product Details

Fully upholstered composite and timber frame, Black Cat webbing with High density premium foam, finished with feather topper.
