

BERNIE

Spend the weekend at Bernie's. Honestly, you may not want to leave.

Bernie is soft, oversized and a little bit dramatic - in a good way. Designed with sweeping curves and generous proportions, it's the kind of sofa that naturally becomes the centre of the room without trying too hard. The modular design allows Bernie to be configured in countless ways, whether it's for a smaller living space or a large architectural home that needs something with presence.

Designed and Made in Melbourne using high-density foam and feather-wrapped cushioning, Bernie has a relaxed sink-in feel while still holding its shape nicely over time.

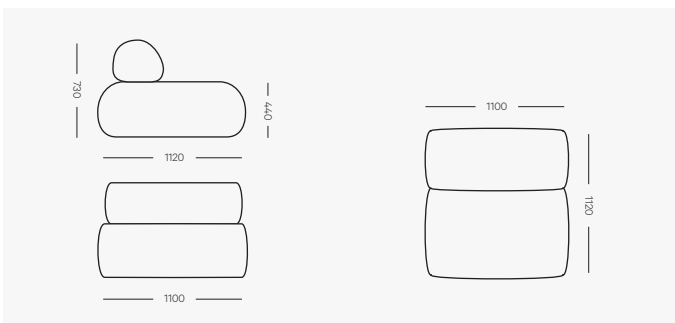

Product Details

Fully upholstered timber frame, Black Cat webbing with High density premium foam and feather wrapped cushions
